We offer full-service home staging. We meet agents and/or clients in home to discuss the needs and figure out the best strategy for each property. We have a growing furniture inventory and source as needed. Pricing for full-service home staging ranges from approximately \$2.75 to \$3.50 per square foot. There is a minimum service fee of \$2,700.00, plus the cost of furniture rentals. We require a one month minimum for all staging jobs. Our services include the following:

- Space planning and furniture layouts
- Staging design: a thorough interior design of the space for staging purposes
- Furniture, accessory, and art selection appropriate for home
- Installation of furniture
- De-installation of furniture

Have furniture, but need professional advice on how to de-personalize or re-organize for maximum results? Sometimes all you need is a fresh set of eyes. We offer Staging Consultations. Staging Consultations are \$350 for up to two hours.
